

FLASHING LIGHTS, TRAFFIC WAND & ARROW BOARDS

Flashing Hazard Lamps & Batteries

Hazard lamps are a very effective way to light and delineate Roadworks and other dangerous areas. Once the unit is turned on the light will come on automatically at dusk or night and will go off when daylight resumes. The light can be very easily attached to barrier board stands - (requires 2 x 6 volt batteries).

\$27.90 ea

Ripple & Steady Flashing Lights also available. PLEASE ENQUIRE

Batteries

\$6.00 ea

Metal Type Flashing Light

As above, but with heavy gauge steel body and powder coated finish. Vandal proof features and the one piece body makes it less likely to sustain casual damage.
