

POWERED AIR RESPIRATOR

"Construction" Dust Master Mask

The Dustmaster "Construction" Powered Air Respirator provides the ideal solution for head, eye and respiratory protection in a single robust unit.

The "Construction" Mask has a lightweight belt-mounted turbine fan that draws contaminated air through a filter and supplies a continuous flow of cool clean air direct to the users headpiece.

This wipe clean filter unit houses both the battery and a long life filter for protection against air borne - particles.

- 14hr run time.
- Kit includes mask, hose, filter/blower unit, heavy duty carry case, charger and test valve.
